OCCUPATIONAL HEALTH AND SAFETY POLICY

THE OCCUPATIONAL HEALTH and Safety of all people employed by Tekton Minerals and those involved in any of its activities is considered to be of the utmost importance. Management has every desire to provide a safe working environment for its employees and contractors.

TO ACCOMPLISH THIS, resources commensurate with the importance attached to comply with all relevant Acts and Regulations and to ensure the health, safety and welfare of all workers.

THE COMPANY WILL address Accident Prevention and Control, Hazard Control as priorities. Occupational Health and Safety is both an individual and shared responsibility of all parties. Tekton Minerals places Occupational Health and Safety on a priority equal to productivity.

MANAGEMENT OF TEKTON Minerals believe that people are our most important asset; their safety, our greatest responsibility. In conjunction with this Statement, the Management of Tekton Minerals wants to emphasize that the safety of our employees is a major consideration in our operations and activities. Management and supervisors will be accountable for the safety of the employees working under their supervision, and will be expected to conduct operations in a safe manner at all times.

THE COMPANY WILL provide and maintain safe and healthy working conditions for all employees and contractors at all times. It will provide safe working equipment with necessary personnel protection and in case of injury, provide the best available first-aid and medical services.

IT IS OUR intention that all personnel and contractors of Tekton Minerals make safety their prime consideration. No job is so important that we cannot take the time to do it in a safe manner. All Company personnel, regardless of position, have our expressed authority to suspend any operation, which in their opinion constitutes a hazard to the life and health of any person.

THE TEKTON MINERALS Safety Management Program is continually being expanded; new phases and controls are being developed. The Management of Tekton Minerals encourages and requests the dedicated participation of all Employees and Contractors in this program.
